

For we are not as many, which corrupt the word of God: but as of sincerity, but as of God, in the sight of God speak we in Christ.

— 2 Corinthians 2:17 —

A Brave New World

We now live in "A Brave New World" in which it is impossible to survive without science as our life support system. At least that is what they want us to believe. Did I say science? I meant sorcery.

Revelation 18:23 ...for thy merchants [Pfizer et al.] were the great men of the earth; for by thy sorceries [pharmakeia] were all nations deceived.

1 Timothy 6:20-21 ...avoiding profane *and* vain babblings, and oppositions of science falsely so called: Which some professing have erred concerning the faith. Grace *be* with thee. Amen.

The original Covid virus was deliberately created and deliberately released. There was no "Operation Warp Speed". The vaccines were already produced. The vaccines are not a failure. They are doing exactly what they were designed to do: reduce population, time released mass death so as to allow for plausible deniability. The whole thing is a globalist genocide. The propaganda was immediate and globally coordinated. The great reset and build back better program went right along with it, and every world leader was using the same propaganda at the same time. No conspiracy theory. It is just plain old conspiracy to commit genocide. Facts!

A New 9/11

We are in the middle of a new 9/11, just as deceitful and more deadly. If people do not look at this situation as a war and only see it as a human rights issue, we will be attacked again in the not too distant future. If we leave the same people in power, we do not win. This is world wide. Billionaires who want to control the world are the problem and the enemy.

The virus was more a scare tactic than anything else. Its purpose was to scare as many people as possible into taking the shot and now shots. Those who did not get scared into it were being coerced into it by the threat of losing their jobs. The real purpose of the shots is that they are a ticking time bomb that will kill several billion people in the next few years.

They could control the number of people they want to kill by having a certain percentage of the shots be the kill shot and the rest be something more innocuous or placebic. How much do you trust them?

This is gigantically bigger than Anthony Fauci. Fauci is a minion, albeit a high level minion. But they are using him as a scapegoat to draw attention away from the bigger picture that this is a globalist takeover of the world and genocide. This calls for a Neuremberg style trial. The problem is finding who is in on it to prosecute them, and who is not in on it to conduct the trial.

Just My Opinion

Jesus is the only refuge from the storm that is coming. Take it seriously. This is your Christmas present. The following is just my opinion about what happened. So, if you do not like what I'm saying just ignore it. Its just what I believe about what I see happening among us.

It started in February 2020 with "two weeks to flatten the curve." Everything they did was designed to turn this into a pandemic. The masks, shut downs, social distancing, and vaccines which did nothing but drag out a virus that should have been finished within months, if they had let nature take its natural course. It never even would have begun if they had not created the virus in the first place.

Trust God or Trust The Science

Once you start taking the shots, you will have to take them for the rest of your life, which probably will not be that long. They are already saying you may have to take them every year, which means you will. What this will do is destroy your natural immunity, and you will be dependent like a drug addict. It is already resulting in deaths from strokes and heart attacks. In the longer term, it will result in cancers and autoimmune diseases.

You cannot get herd immunity by taking a vaccine. You cannot get herd immunity by vaccinating 100% of the people on earth. By taking a vaccine, you only turn your immune system into a one trick pony. As soon as the virus mutates, the vaccine becomes useless. Then you have to come up with a new vaccine. That is exactly what is happening with the delta variant. The ONLY WAY to get herd immunity is through the natural immune system. So if you want this thing to drag out indefinitely, take the vaccine. Guess what! The people pushing the vaccines know that.

Plannedemic!

I'll go one further. The U.S. did fund the development of deadly viruses in Wuhan, China. The Covid 19 pandemic did begin in Wuhan, China. But that was just a little coincidence. Of all the places in the world that the virus could have emerged, it just happened to be there. Pay no attention to that man behind the curtain. They develop deadly viruses so they can study them and then develop vaccines to combat them. Does that make any sense? It sounds like a protection racket to me. You are taking your health advise and mandatory orders from the same people who I believe made the virus in the first place.

Moderna (mRNA) never had a single drug on the market before they came up with this vaccine. Three different drug companies were somehow able to simultaneously develop the vaccines in record time. That is because the vaccine formula was already developed before the genocide. I'm not afraid to say it. This was never a pandemic. It is a genocide.

Frankenscience! Where do people think the mRNA comes from in the vaccines? The problem is they do not think about it. They cannot make mRNA from scratch. It is grown in the cloned cells of aborted human babies. Basically they have a test tube baby farm, growing human cells in vitro, from which they extract the DNA and RNA.

Timeline of Events

DARPA - Defense Advanced Research Projects Agency is the mad scientist branch of the U.S. Defence Department. They are responsible for developing all of the mass murder technologies that the U.S. has at its disposal.

In 2014, DARPA funneled over \$3 million through an NGO called Eco Health Alliance to the Wuhan Institute of Virology for gain of function research. Gain of function is engineering a virus to be more contagious to humans.

In November of 2019, the World Economic Forum, the Bill and Melinda Gates Foundation, and Johns Hopkins Center for Health Security hosted "Event 201", wargaming a pandemic preparedness exercise

which "predicted" the current "pandemic."

The first cases of Covid-19 began appearing in December 2019 in, of all places, Wuhan, China. The propaganda spread faster than the virus. By January 30, 2020, the World Health Organization (WHO) declared a "public health emergency of international concern."

In March of 2020, Trump gave ModeRNA (mRNA) \$482 million to develop a vaccine under what he called "Operation Warp Speed". Sure enough, they had a vaccine ready for trial by July 2020.

Amazing! Of course all of that money came from DARPA, because that is what they do.

Earlier in 2019, before the pandemic, before anyone ever heard of Covid 19, the World Economic Forum in partnership with the Rockefeller Foundation started the "Commons Project" to create an electronic vaccine passport system called "CommonPass"¹.
