

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

— 1 John 4:1 —

Engineered By Propaganda

"It's a big club, and you ain't in it." There are two societies within society. There is the society of the clueless masses, and there is the smaller secret society that rules the world. You wonder how they could get so many people to go along with their evil plans. It isn't a matter of getting them to go along, they are already complicit and confederate. They don't have to get them to go along, they were born into it.

Youtube has rules about what you can or cannot say and show in a video. You can't even say the word "suicide". But they show this fake blood spurting video over and over and over and over...

It's propaganda. All of it, even the fake "conspiracy theories" that they continually perpetuate to keep people speculating. The simplest answer is the truth. It's all fake, even the after conversations.

In the age of AI, you can't trust everything you see. Kirk wasn't killed because he was never shot. I saw that with my own eyes. The official story is the only thing full of holes. All the world is their stage. The bullet didn't stop in his neck because it never hit his neck: 0% miracle, 100% psyop.

Large caliber rifle bullet to the soft tissue of the neck, no blow out at the back of the neck, no blood splatter on the backdrop, no bullet hole through the backdrop.

Opposition controllers, all. It's coming from both sides because both sides are the same side. The whole reason they stage these events, and make a long running propaganda show of it, is to divide and conquer and get large groups of people following the narrative.

The whole purpose is to make you hate them and them hate you. It's trauma based mind control. It's mass psychology. It's Hegelian dialectic. It's thesis, antithesis, synthesis. It's problem, reaction, solution. It's spell casting. It's witchcraft. And it absolutely works.

Make America (Babylon) the Great Again

Maga means sorcerer in a number of different languages, like magic. If you believe what they tell you or show you, you are having a spell cast over you. Lying is spell casting. If someone can lie to you and get you to believe it is the truth, you will think and act according to the lie you believe to be true. They have effectively cast a spell on or beguiled you. Strong delusion!

Genesis 3:13 And the LORD God said unto the woman, What *is* this *that* thou hast done?
And the woman said, The serpent beguiled me, and I did eat.

2 Corinthians 11:3 But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ.
